**Auxiliary repair materials**

Number	Designation	Order number
BR00.45-Z-1025-04A	Leather paint	000 986 92 33

- 1 Apply leather paint evenly with paint spray gun.  
 To do this, set a spray pressure of 2 to 3 bar.
- 2 Leave leather paint to dry for approx. 30 minutes.
- 3 Repeat paint application 2 to 3 times until an opaque color coat is obtained.  
 To obtain a seamless transition with the intact paint coat, slightly fade the edges of the repair area.
- 4 Leave leather paint to dry for approx. 2 hours at room temperature.
